Members agreed the Association will supply Red Kings for use in Pumpin' Booty vs CMCC Allstars (7 December 2025).

### Equipment

Discussion of continued encouragement for teams (especially new teams) to use springback stumps to reduce time lost when the stumps are broken.

### Scoring

General discussion of developments in electronic scoring; members noted reliability continues to be an issue; President noted Competition Rules require a paper scorebook and it would require a motion at an AGM to change this requirement.

### Match start times

Members discussed that junior cricket starting times moved forward 30 minutes last season, which coincided with fewer juniors matches running past 12.30pm; any issues this season are to be reported to Grade Coordinators for President to raise with Cricket ACT.

### Finals playing qualification

Members discussed abuses of finals playing qualifications. President noted that captains are under no obligation to accept a request to field a non-qualified player and should use judgement about the trustworthiness of an opposing team when deciding on such requests.

### Michelago Sports Ground

Members discussed continued use of Michelago Sports Ground, noting distance from northern suburbs, size and ground condition as concerns.

**ACTION: President and Secretary to inspect Michelago Sports Ground and President to decide fitness for hire this season.**
